Class Registration and Enrollment:

- Parents are responsible for registering their child for the correct level which is the level the child was recommended for their last session.
- NOVA does not provide private lessons.
- Parents registering for the incorrect level to obtain a time slot for their student, will result in the student being dropped from the class and moved to the waitlist.
- Customers are permitted to register for 1 slot M/W or T/TH or Weekend-Sat/Sun (Classes are two days a week). NOVA cannot accommodate requests for swimmers to participate in multiple Classes within a session. NOVA will drop the 2nd and subsequent classes if enrolling in more than 1 class.
- Space is reserved for your child ONLY when you have agreed to Policies; Receive a confirmation email and have a valid credit card on file.

Leveling up to the next level:

- Students do not necessarily move up each session. The instructor will determine your swimmer's readiness for the next level.
- Our staff believes each child progresses at his or her own pace and it is neither appropriate nor beneficial (to the student) to place a child in a level above their capability.

Registration Fee:

- Participants are responsible for paying an annual \$25 registration fee per student that is valid for the entire season for September – August each year. You won't however, be charged any merchant fees associated with your monthly payments.
- A late registration of \$25 will be charged to all swimmers wishing to register after the deadline.

Make-Up Classes:

- NOVA does not offer makeup classes.

Inclement Weather:

- NOVA's pools are grounded, meaning we can continue classes during weather events like periods of rain or storms – as long as there is NO lightning in the immediate area. Lessons may be stopped but then continued when the weather conditions permit.
